Feedback

Q1. Please share your thoughts on the proposed draft masterplan for The Great Field.

Q2. Is there anything important that you feel that we have missed and should include? Please explain your answer.

Q3. The Great Field has space for a pavilion but there will be a capital cost of construction and an ongoing cost of upkeep that will need to be found. Before we can properly consider one in our plans, we would like to better understand the level of demand and commitment from community groups and sports clubs. Without certainty over usage and management, it will not be viable to bring forward a pavilion as part of our plans. Please share your thoughts on the inclusion of a pavilion on The Great Field.

Q4. If you are a member of, or know of, a local community group or sports club that would like to use and help run a pavilion on The Great Field, please let us know by giving the name of the group and how you would like to be contacted to discuss your idea.

Q5. Is there anything further you would like us to consider?

Thank you for taking the time to complete our feedback form. Your feedback is very important to us and will be considered in finalising the masterplan for The Great Field.
